May 15-21, 2022 National EMS Week

In 1974, President Gerald Ford authorized EMS Week to celebrate EMS practitioners and the important work they do in our nation's communities. NAEMT partners with the American College of Emergency Physicians (ACEP) to lead annual EMS Week activities. Together, NAEMT and ACEP are working to ensure that the important contributions of EMS practitioners in safeguarding the health, safety and wellbeing of their communities are fully celebrated and recognized.

EMS Week brings together local communities and medical personnel to honor the dedication of those who provide the day-to-day lifesaving services of medicine's "front line." Whether celebrated with a company cookout or a catered lunch; an open house, an awards ceremony or even quiet reflection about what it means to be an EMS practitioner, EMS Week is the perfect time to recognize EMS and all that its practitioners do for our nation.

AND GOD SAYS . . .

Last week I spoke of those who continue to reject Jesus Christ as Lord and Savior will experience "His wrath in greater and greater measure." Allow me to expand on that thought.

As Christians, it is very easy for us to put ourselves in a special, protected class of people. We see ourselves as blessed while those who do not profess Christ as cursed. We think that because we have professed Christ as our Savior that we are insured against God's judgment. There is the mentality that because we are saved by grace and not by works that we can continue to live like we want to and still be protected by God's grace. But listen to the following from God's word.

> If we deliberately keep on sinning after we have received the knowledge of the truth, no sacrifice for sins is left, but only a fearful expectation of judgment and of raging fire that will consume the enemies of God. Anyone who rejected the law of Moses died without mercy on the testimony of two or three witnesses. How much more severely do you think a man deserves to be punished who has trampled the Son of God under foot, who has treated as an unholy thing the blood of the covenant that sanctified him, and who has insulted the Spirit of grace? For we know him who said, "It is mine to avenge; I will repay," and again, "The Lord will judge his people." It is a dreadful thing to fall into the hands of the living God. (Hebrews 10:26-31).

Please take note, this passage is not talking about those people who make no profession of Christ as Savior. But, on the contrary, they are those who "received the knowledge of the truth." That is, they have at least admitted to the truth of Christ. They are most probably church attenders. Maybe even Bible readers. But even though they profess Christ, they continue in their sinful lifestyle. They are not really interested in living for Christ, to please and glorify Him, but living unto themselves. For them, it will be "a dreadful thing to fall into the hands of the living God … resulting in an "expectation of judgment and of a raging fire that will consume the enemies of God." For them, their judgment will be at least as severe as the unbeliever, and maybe even worse.

EMS WEEK

Rising to the Challenge

THIS IS EMS: CARING FOR OUR COMMUNITIES

May 15-21, 2022, is the 47th annual National EMS Week. In 1974, President Gerald Ford authorized EMS Week to celebrate EMS practitioners and the important work they do in our nation's communities. NAEMT partners with the American College of Emergency Physicians (ACEP) to lead annual EMS Week activities. Together, NAEMT and ACEP are working to ensure that the important contributions of EMS practitioners in safeguarding the health, safety and wellbeing of their communities are fully celebrated and recognized.

EMS Week is the perfect time to recognize EMS and all that its practitioners do for our nation.

Clark County Humane Society's Pet of the Week

"Owen"

Owen is the CCHS Pet of the Week!

Owen is a 7-month old neutered male Catahoula mix. He weighs 46# and has a very handsome short-haired coat. Owen is a special boy who needs to find just the right home. He was surrendered to CCHS from a breeder when he wasn't needed any longer. Owen is a pretty shy guy. He will need a very patient family who can help him learn what it means to be a dog. He will do best in a calm home where there isn't too much going on to scare him. A fenced yard would also be ideal so that he can't wander off and get lost. If you have a really big heart with lots of love to share, Owen needs you! Apply to adopt this sweet boy today! Adoption applications can be submitted through our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
