Will Bratcher Announces Candidacy for Clark County Branch 2

Local attorney Will Bratcher is pleased to announce his candidacy for Judge of the new Clark County Circuit Court Branch 2 set to open next year.

For years, Clark County has ranked high among Wisconsin counties in need of an additional judge, and after the passage of 2019 Wisconsin Act 184, it is finally happening.

Bratcher is a lifetime resident of Wisconsin and a self-described "Double Badger" as he received both his bachelor's degree and law degree (with honors) from the University of Wisconsin – Madison. Will and his family reside in the heart of Clark County.

Bratcher has served his entire legal career in Clark County as a private practice attorney out of his office, Bratcher Law Office, LLC in Thorp. He has a broad range of experience in business law, family law, estate planning, probate, real estate, and much more.

Along with his family and friends, Bratcher has the support of many current and former Clark County attorneys, business leaders, and community members.

The general election for Clark County's new Branch 2 is in April 2023, and the position starts in August 2023. As a message to his current and prospective clients, Bratcher states it will be "business as usual" at his office until the election.

You can find more information and follow the campaign at facebook.com/Bratcher4Judge

"Guiness"

Guiness is the CCHS Pet of the Week!

SAVE A SHELTER PET!

Guiness came to CCHS from another overcrowded Shelter. He is almost 5 months old and weighs about 25#. He has a short-haired black and white coat. Did you happen to notice his ears? He has great ears, too! Guiness is a typical puppy with oodles of energy. He's ready for lots of playtime followed by a nice nap on the couch. He's also a smart boy and ready to learn everything he needs to know to be a really good dog. He has a big heart with lots of love to share with his new family. If that's you, apply to adopt this happy boy today! Adoption applications can be submitted through our website: www.cchs-petshelter.org/applying-to-adopt.

Freeday Friday is back!! On Friday, June 3rd, Freeday Friday will be held at our original CC Resale Store. It's located at 600 Hewett St, in downtown Neillsville, on the corner opposite the Post Office. This is our "inconvenience store". We have lousy parking, terrible hours, not much is organized and we don't care if you buy anything or not. And yet, people love it. You know why?.....cuz it's all FREE! That's right, bring your bags, boxes, cars, trucks or buggies and fill 'em up. It's all free! We call it Freeday Friday and it's June 3rd from 9:30 to 11:30 a.m. See you then!!

AND GOD SAYS . . .

This past week, I believe I gained a new insight into the reason people who profess Christ as Savior and say they believe the Bible is God's word, do not practice godly values in their lives. I was talking with a young lady who was quite upset because things were not going well with her boy friend. I then asked her why she was so angry. She began to tell of issues that she didn't like instead of answering my question. So I asked her again, "What are you so angry."

She responded saying something like,"I know what you are trying to do. You're trying to get me to admit that Jesus is my real need."

I said,"That's right. You will never know real fullness or joy except in a right relationship with Jesus. He is the answer to all of our needs."

She said,"I believe Jesus is the answer for our spiritual needs, but not the body or the mind. We are responsible for that."

I said,"That is not what the Bible teaches. God says that we are to be sanctified spirit, soul and body. He wants to meet all of our needs."

Do you see what she was saying and believes? As I pondered this, I began to wonder, how many other people believe this? And maybe this is why so many people can be active in church, profess Christ as Savior, read their Bibles and pray, but still live together outside of marriage or participate in other forms of sexual immorality or other expressed sins named in the Bible, seemingly without a guilty conscience.

Jesus expressed the need for us to totally surrender our lives in many different ways. He said,"Whoever finds his life will lose it, and whoever loses his life for my sake will find it" (Matthew 10:39). This is not a piecemeal surrender our life to Jesus, it is all of it. To the degree that we hold back in our surrender to Christ, that is the degree that God is not the God of our life.

Remember, Jesus gave himself completely to redeem you; body, soul and mind. He was tempted like you in every way; body, soul and mind (Hebrews 4:15). He did this so that he could sanctify you wholly; body, soul and mind. And when we allow him to do that in our lives, then we can find real peace, joy and hope. God does not fail us.

National Dairy Month is BIG for Wisconsin Dairy. Dairy Farmers of American is building its in-state campaign around the following core messages.

Dairy is Good for You and for Wisconsin

• Dairy foods provide a unique nutrient profile that helps people of all ages achieve greater health and wellness. **(Good for me)**

~ Real dairy has immunity boosting nutrients like Vitamin A, Vitamin D, zinc and protein.

~ Get after it with dairy. As a natural source of protein, dairy provides the pick me up you need to go all out.

• U.S. dairy farmers are committed to reducing their carbon footprint even further as part of the dairy industry's initiative to become carbon neutral or better by 2050. **(Good for planet)**

~ Producing a gallon of milk has 19% less greenhouse gas emissions than it did in 2007. That's equivalent to the amount of carbon dioxide removed from the atmosphere by half a million acres of U.S. Forest every year.

• Wisconsin dairy farmers have dedicated their lives to feeding communities across the state, country and globe.

(Good for community)

~ 95% of Wisconsin dairy farms are family owned.

-Dairy Facts-

Wisconsin is home to 1,200 licensed cheesemakers who produce over 600 varieties, types and styles of cheese. That's two times the number of any other state.
