DISTRICT ADMINISTRATOR REPORT

• April has been a whirlwind on many levels. The month started out with the unexpected failed referendum. This has led to making some difficult decisions for next year but we are taking time to reflect on how we can move forward differently.

• State testing has been completed as of last week and the final spring district assessments will be finished over the next couple of weeks.

• We have had great things happening in our buildings. The high school play with all the great '80's tunes followed up with band and choir performances including the elementary concert tonight.

• The district is continually looking for scholarships and grants. Sadie Korth received a grant from the West Salem Community Foundation to support students after Forward Testing with a celebration at the Lunda Center in Black River Falls. Tricia Waughtal is seeking a grant from Target for summer school supplies and Chad Mather has been notified that Ashley will continue to help keep our junior high robotics program through their grant program. The district will be applying for a grant from the DPI called the Transition Readiness Grant. This is very competitive grant. One final update is that all FEMA grants have been denied at this time.

• A letter signed on behalf of the district stating that we are in compliance with Title VI and all other nondiscrimination law that were referenced in the US Dept. of Education's April 3, 2025 communication. If not signed, there would be a possibility of not receiving federal funding.

• Scholarship night is coming up on Wednesday. It is amazing how many scholarships are offered to our students by the local businesses and organizations.

2. Finance: Review of the expenditures and receipts through March. There were no budget changes. Motion by Whalen, second by Chandler, to approve the check summary & vouchers in the amount of \$2,219,862.47. Motion carried 5-0. Cash flow and activity accounts were reviewed.

3. Personnel Report: Resignations: Motion by Stanton, second by Chandler, to approve the following resignations: Head Boys Basketball Coach Jason McRoberts; Assistant High School Boys Basketball Julie Meyer; C-Team Boys Basketball Coach Stephanie McRoberts. Bus Drivers Jeff Severson & Terry Nickel, and Paraprofessionals Jane Lash and Jaclyn Grieve all at the conclusion of the 24-25 school year. Motion carried 5-0. Hiring: Motion by Blaken, second by Whalen, to hire lifeguards and WSI for the 2025 season, Hannah Trautch as full-time school psychologist, Jaclyn Grieve as 7-12th grade special education teacher; Allison Boudry as high school Youth Apprenticeship Coordinator; David Cowley as high school head boys basketball coach and Erik Christopherson as high school assistant boys basketball coach. Motion carried 5-0. Retirement: None.

DISCUSS AND/OR TAKE ACTION

1. Second Reading of School Board Policies & Supporting Policies in Series 0000, 1000, 6000, 7000 & 8000: Motion by Stanton, second by Blaken, to approve the second reading of policies in the series mentioned. Motion carried 5-0.

2. Adopt Resolution for Neola Board Policies Publication: Motion by Whalen, second by Stanton. Motion carried 5-0. All board members present signed resolution.

3. Approve 6th Grade Middle School Track & Field Program: Motion by Stanton, second by Chandler, to approve the 6th-grade students to participate in middle school track & field program. Motion carried 5-0.

4. Approve Soccer Co-Op with G-E-T: Motion by Blaken, second by Waughtal, to approve renewing the spring girls soccer co-op with G-E-T. Motion carried 5-0.

5. Accept donations over \$500: Motion by Chandler, second by Blaken, to accept the Friends of Melrose \$3,100 donation to Youth Wrestling program; Melrose Express (\$1,500); WXOW Tools for Schools to Mustang Family Time Group/ Amy Thesing (\$1,000) and \$1,019.94 from Steve Boe for FFA program. Motion carried 5-0.

6. Consider Short Term Borrowing Bids for 2025-2026 School Year: Two bids were received for the upcoming school year- Black River Country Bank at 2.9% and First National Bank at 3.25%. Motion by Whalen, second by Waughtal, to accept bid from Black River Country Bank at 2.9%. Motion carried 4-0 with Blaken abstaining.

7. Approve Request for Overnight Football

Camp in Ladysmith: Motion by Waughtal, second by Blaken, to approve the overnight football camp in Ladysmith later this summer. Motion carried 5-0.

8. Annual Report of School Safety Drills: High School Principal Rick Dobbs and Elementary Principal Corey Peterson reviewed the school safety drill held earlier this month. This year's drill dealt with a possible gas leak on the campus.

9. Management Agreement with Black River Falls School District for Director of Food Service: Motion by Blaken, second by Whalen, to accept the partnership agreement with Black River Falls School District. Food Service Director Connie Seiber will provide services 1 1/2 days per week in Melrose-Mindoro. Motion carried 5-0.

10. Discuss Insurance Rates for 2025-2026: Our insurance rates came in much higher than in previous years. In light of the referendum not passing, we have asked for different scenarios for potential cost savings. Once Baird Financial does their presentation next month, we may have a better outlook on the next steps to take.

11. Continue Discuss around Financial Reductions: There was a considerable amount of discussion as to how to make financial reductions without affecting staff from leaving. Multiple staff expressed frustration at larger class sizes and to keep more sections at the lower grades. What is the district's comfort level for a deficit amount? What do we do to keep our staff from burnout? Looking towards next year's referendum, we need to stress the importance to the community how potential cuts affect class sizes, bus routes and possibly fewer academic and athletic opportunities. We will continue to look for cost savings.

CLOSED SESSION

Motion by Stanton, second by roll call vote, to move to Closed Session at 8:55 p.m. The Board will discuss, consider and, if appropriate, take action pursuant to Wis. Stats §19.85(1)(f) "Considering financial, medical, social or personal histories or disciplinary data of specific persons."

The Board will also discuss, consider and, if appropriate, take action pursuant to Wis. Stats §19.85(1)(c) "Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercise responsibility." The board, if appropriate, will return to open session following the closed session to take action on the items discussed in the closed session. Motion by Waughtal, second b Whalen, to return to open session at 10:15 p.m. Motion carried 5-0.

It was moved by Alderson E. Rave, seconded by Alderson Gearing-Lancaster, to place on file the minutes of the May 12, 2025 Hiring Committee meeting. Motion carried.

The Department Head monthly reports were reviewed. Department heads present were Jody Stoker, Travis Brown, Darryl Nelson, Jarod Mayer, Cara Hart, and Brad Chown.

1. The Street Superintendent advised they did not start street work this week due to weather and they will start on May 27th. The new pickup is here, the snow plow was installed, and the old truck was given to Parks & Recreation.

2. The Police Chief advised he was able to work with the software vendor to get addresses back in his reports and working on changing the "Ordinance Other" description so it specifies what ordinance so Council members can see if it was grass or junk and if they got a letter and it is easier to read and understand. Often times they call or speak to the homeowner and get compliance and those will not show up on the reports, but they get compliance with the ordinance and that is the goal. Addressing a question on the number of "Suspicious Activity" calls, the Chief advised there will be more training on picking the right drop down items. He has agencies interested in bidding on the 2018 Ford Explorer and feels we will get a better price than selling it on GovDeals and it would save the time and expense of removing and disposing of any equipment in the vehicle that cannot be reused.

3. It was moved by Alderson Ammann, seconded by Alderson Pelouquin, to approve the Police Department's request to sell the 2018 Ford Explorer as is via closed bids. Motion carried.

4. The Parks & Recreation Director advised the rain helped with the new sod at the all abilities playground.

ORDINANCE 895 – an ordinance changing the operating hours for ATVs and UTVs was presented for 1st reading. There was discussion on match-

ing what the County has right now which is 5:00am to 10:00pm. Most of the villages around us do not have any ordinances, Merrillan does not allow them 3am to 6am, but everyone else is open to whatever the County has. The city is one of the few that actually has a separate regulation. Police Chief Brown and a County Deputy were contacted and there have been no issues with UTVs and ATVs other than the first few weeks. People want to ride them to work. Alderson M. Rave stated he understands people wanting to ride them to work but questioned the high school students that would potentially be riding ATVs or UTVs to school and has already seen many students getting reckless. He stated he does not believe we should be moving operating hours to 5am to 10pm, and if this comes back for final reading and approval he will be voting no. He also expressed concerns about the number of UTVs and ATVs driving by Theisen's, Walmart, and over the interstate.

It was moved by Alderson Dougherty, seconded by Alderson Gearing-Lancaster, to approve vouchers for April 2025 Check #75399 - #75545 totaling \$388,333.27 noting Check #75398 was a manual EMS payroll check. Motion carried.

It was moved by Alderson Dougherty, seconded by Alderson Gearing-Lancaster, to approve the City Treasurer's Report for April 2025. Motion carried.

It was moved by Alderson Dougherty, seconded by Alderson M. Rave, to approve the Revenue & Expense Report for April 2025. Motion carried.
