Melrose-Mindoro Board of Education
Regular Monthly Board Meeting
Regular Monthly Board Meeting
Monday, July 25, 2022
Board President Rick Paisley called the regular monthly meeting to order at 7:00 p.m. Administrators present: Superintendent Jeff Arzt, 7-12 Principal Rick Dobbs, Transportation & Building & Grounds Director Dan Stetzer, and Finance Administrator Casey Pfaff. Board Members present: Geoffrey Rozek, Kim Sacia, Becky Whalen, Kathy Dunn & Shane Zeman. All who were present then stood for the Pledge of Allegiance.

Motion by Zeman, second by Whalen, to approve the minutes from the previous meeting. Motion carried 5-0

Correspondence: The district received a thank you note from Rhonda Murphy for the donation for her mother, Joy Coon, who recently passed away.

Administrator's Report: The school newsletter has been sent to the printers and should be delivered to district mailboxes late this week or early next week. It is already posted on the district website.

A new report from the WI Policy Forum found that Wisconsin hasn't kept pace with the national growth in public education spending. Wisconsin spent \$12,740 per student on public elementary and secondary education in 2020, according to the latest data released by the US Census Bureau. That's almost six percent below the national average and ranks 25th in the nation for 2020. According to our 21-22 school year, our

district spent approximately \$10,983 per student.

The district continues to work on the school safety plan which includes plans for reunification offsite, if the situation warrants us to do so.

An order for vape detectors has not been completed yet. We want to make sure our policies and practices are in place. Also, these detectors have been on back order for over a year. After much discussion, the district may look to spend resources on prevention strategies.

Remedial summer school begins today and runs through August 5. There are currently 95 students enrolled for this second round of classes.

There were seven Advanced Placement (AP) classes offered this past year and some of the students participating earned college credit by receiving a three or higher score on the tests. The district offered AP History, Government, Stats, Calculus, English Lit & Composition, Psychology & Spanish Language and Culture.

Fall sports will begin practices in early August. Football starts August 2 and Volleyball, Cross Country & Boys Soccer will begin August 15.

Building & Grounds Director Dan Stetzer, along with the whole custodial crew, have been doing a fantastic job getting our campus ready to welcome students back. Updates to the baseball field and landscaping are done and the staff are quickly wrapping up the cleaning inside the building as well.

Open Forum: None
Finance: Review of the expenditures and receipts through June. Motion by Whalen, second by Dunn to approve the check summary & vouchers in the amount of \$1,361,670.40. Motion carried 5-0. There were no budget changes.
